IG Report announcement

Anons determine significance of 1:29 from [Dec 2] drop? What was released precisely @ 1:29? Q

OIG?

This is exactly why we are here.

Q

The significance of Q129 is that the NSA is currently conducting continued operations i.e., dropping precision B2 Bombs like the CIA/Mossad Danchenko indictment to dismantle/close the CIA but it is too impossible to clean. Queen Elizabeth II's Cabal > Deep State is still communicating with their CIA/Mossad assets using Star Wars video game chat logs about their false flag plans to use D5 container ships missiles to create Solar Coronal Mass Ejections CMEs to create a national global impact. The NSA is here for this reason, to diligently protect and defend America and the world from the evils of this satanic Cabal.

Lead up to Crossfire Hurricane:

Seth Rich.

The FBI released documents that may tie Former Secretary of State Hillary Clinton to the Seth Rich murder. July 2018 emails mentioning Special Council Robert Mueller and Clinton and both mentioning hiring a hitman and Seth Rich.

In 2016, according to testimony from Silk Road Task Force member Ryan D White which Former Deputy Attorney General Rod Rosenstein was in charge of at that time out of Baltimore Md. Rosenstein's associates Shawn Bridges, Carl M Force IV were caught stealing Bit Coin during a Silk Road case in sent to jail. Rosenstein remained in contact with others involved that were never charged.

Former Deputy Attorney General Rod Rosenstein acquired the help of Drug Enforcement Agent DEA Joseph Rosati and Alcohol Tobacco and Firearms ATF agent Alan L Boroshok to retrieve the thumb drive that Seth Rich always carried with him which contained the DNC emails, in which Wikileaks ultimately posted. DEA Agent Joseph Rosati testifies that he hired the two MS13 agents Rafael Aguilar and Carmelo Marmeljo-Calixto, to rough up Seth Rich and retrieve the USB key. DEA Agent Rosati and former owner of Nexus Consulting Kevin C Doherty met Aguilar and Calixtro and brought them to Seth Rich's location. The two MS13 members approached Rich on the night of July 10, 2016, and in a botched robbery of the USB they ended up shooting and eventually killing Rich. DEA Agent Rosati assisted the MS13 members in their escape 434 miles away to Myrtle Beach, South Carolina where he ultimately shot them dead on July 11, 2016.

Ryan D White claims Rosenstein dealt with all of the loose ends with the Seth Rich case and would ultimately sign the illegal FISA warrants meant to take down President Trump in the Russia Spying collusion. This would allow Vice President Pence to take power and for Rosenstein to be named VP.

-Who was found dead (2) shortly after his murder? What affiliation did they have?

Both DNC Staffer Seth Rich and DNC IT Staffer Imran Awan both had inside access to DNC servers. Imram Awan was part of an IT outfit known as the Awan Brothers who were 2 Pakistani Nationals working for the DNC and Chairman Debbie Wasserman Shultz using servers in Pakistan to maintain DNC information.

On July 10, 2016, at approximately 4am, Seth Rich was murdered near his Washington DC home. On July 11, 2016, MS13 Members Rafael Aguilar and Carmelo Marmeljo-Calixto are found murdered with multiple gunshot wounds, 434 miles away in Myrtle Beach. July 22, 2016, Wikileaks begins releasing DNC emails which detail Secretary of State Hillary Clinton and the DNC's effort to shut out Democrat

Candidate Bernie Sanders who endorses Hillary Clinton 2 days after Rich's murder. DNC Chairman Debbie Wasserman Shultz resigns over the scandal. July 25, 2016, Imran Awan is arrested for bank fraud charges and cannot leave the country. Both Awan Brothers were detained. In early August of 2016 Julian Assange mentions Rich's murder in an interview about great risks Wikileaks sources take. In the months directly following President Obama, Hillary Clinton, CIA Director John Brennan, DNI James Clapper, House Minority Leader Nancy Pelosi and the Mainstream Media including The Washington Post and New York Times start to spin a DNC Russian election hack story in which a 3rd party contractor CrowdStrike links to the Ukrainian military which was later debunked. On October 7, 2016, Wikileaks releases the first of the Podesta emails whom Wikileaks associate Craig Murray eventually confirms he received from a source in Washington DC. All throughout members of the Rich family tweet out implications that there is foul play with the DNC. In March of 2017 the Rich family hires DC area detective Ron Wheeler who claims there is evidence Seth Rich was emailing Wikileaks and there may be a connection to Imran Awan.

2016- Five Pakistani DNC IT staffers with no clearance, 3 brothers Imran Awan, his wife Hina Alvi, Abid and Jamal Awan and friend Rao Abbas all had access to congressional servers and It equipment at the They started getting noticed when a computer equipment request showed \$120,000 missing. Then Imram Awan is arrested and ultimately indicted for Bank Fraud while trying to leave the country and wiring \$165000 at the same time. His wife Hina was allowed to leave the country. When searching his home, the FBI seized computers and found smashed hard drives. The indictment indicated, "Defendants AWAN and ALVI did unlawfully, willfully, and knowingly conspire, combine, confederate, and agree with each other to commit offenses against the United States," regarding bank fraud, false statements and unlawful bank transactions. These individuals all worked for Debbie Wasserman Schultz who continued to double talk and defend them after being caught and even gave Imran Awan another position with the House doing various office jobs for staff.

The events let to a House investigation and House's Office of the Inspector General report indicated the Democrats were careless and to inform the constituents of the breach. There were also indications of nefarious purposes and elevated risk that information/documents were read, stored or removed. Lawmakers have expressed their concerns over Wasserman-Schultz Awan even after the indictment. Frontpage Magazine did an exclusive report that links the Awan Brothers to the Muslim

Brotherhood and Imran Awan also has ties to Intelligence through his father Haji Ashraf who was the head of a Pakistani Intelligence agency.

On October 28, 2016, FBI Director James Comey notifies congressional leaders of the emails leaked from Secretary Clintons personal server and that the FBI will review for classified information. And on Jan 10, 2017, he informs the Senate committee publicly of the DNC Russian Hack and how they never inspected the devices they instead used Crowdstrike. In March of 2017 he along with NSA Director Rogers appears before the House Intelligence Committee confirming again, they never had access to the physical machines but relied on Crowdstrike. President Trump fired Comey on May 9, 2017, for mishandling the email and Russian hack controversy. Rod Rosenstein recommended the firing of Comey to the President so he could then appoint Robert Mueller as Special Counsel, this would assist the Deep State's plan to ultimately impeach President Trump.

Woods Procedures:

On Sept 30, 2021, "Execution of its Woods Procedures for Applications Filed with the Foreign Intelligence Surveillance Court Relating to US Persons" Report was released by DOJ Inspector General Michael Horowitz. FISC allows the government to spy on others using the Foreign Intelligence Surveillance Application FISA. Once applied for it's not usually subject to any scrutiny in subsequent proceedings, because of this the DOJ/FBI have duty to maintain integrity in the process including supplying all material facts and to correct and misstatements or omissions of facts. According to Rule 13 these must be made in writing and immediately inform the original presiding Judge. This also includes corrections/modifications and steps to correct and disclosure of non-compliance. All must include in writing to the original Judge, steps to correct any and all issues.

This report focuses on the Woods Procedures, which is a process that minimizes factual inaccuracies in FISA applications. All statements must be scrupulously accurate before presenting the application to the presiding Judge. The latest sample audit by IG Horowitz included 29 FISA applications. Numerous instances on non-compliance were found using the Woods Procedures in 25 of the files and of the remaining 4 files, the FBI could not supply the original versions. The same 29 files showed over 400 instances of non-compliances with Woods Procedures and between Jan 2015 and Mar 2020 another 7000 applications had 179 missing required Woods Files. They also found inaccurate and missing information as well as the information needed to support statements in the documents, instead saying the target supported a

specific cause. IG Horowitz's Dec 2019 report on Carter Page's FISA application showed substantial issues and misconduct as well and even recommended remedial measures to correct the issues created by the FBI.

The Four 2016 FISA Applications:

Paul Manafort

George Papadopoulos

Carter Page

General Michael Flynn

X:

The Obama administration conspired to spy against President Trump using UK MI5/6/SIS, Five Eyes, Israeli NSO Pegasus Surveillance and FISC to obtain permission. They were also spying on Senator Cruz's presidential campaign.

Queen Elizabeth II in the UK was using Israeli NSO Pegasus to spy on everyone, she called all the shots through Obama's administration. The exchange of classified information flowed freely with or without the use of FVEY. On the 2016 election night 7 people, Barack Obama, Hillary Clinton, James Comey, Susan Rice, John Podesta, Chuck Schumer and Adam Schiff flew to London to have a private secret society meeting with Angela Merkel, Jacob Wallenberg and Queen Elizabeth II. The meeting was to discuss how to remove Donald Trump from the US Presidency using the one of their ships that have shipping container missile systems and they discussed how to keep their worldwide trafficking scheme quiet.

The Barack Obama and Hillary Clintons Uranium1 deal with countries like Russia, Iran and North Korea helped to create an armada of ships that have shipping container missile systems (Club k's) that contain nuclear warhead missiles paid for by US Taxpayers under the guise of the Red Cross, foreign aid and Paris Accord climate funding. They are used to cripple or remove any opponents to their plans effectively creating a blockade using video game chat logs and cell phones to communicate their plans and arm and operate these weapons. Plans that including the treasonous '16 Year Plan to Destroy America' and to prevent any exposure of their worldwide trafficking scheme which includes human/sex trafficking with men, women, children and infants as well as guns and drugs. This missile system is also used to prevent any

delcas or disclosure from being exposed, anything from UFO's to Durham reports.

The 16 Year Plan To Destroy America

This scheme also includes the harvesting and worldwide supply of adrenochrome from children with the assistance of Shell Oil pipelines. This ships collect the substance (F assets/intel) from the pipelines and deliver to individuals is based on a class system in which ranking determines use of these assets which are used as feed. Poverty stricken locations are set up as exchange shelters such as Haiti using humanitarian aid organizations like the Red Cross and political organizations like the Clinton Foundation to traffick victims through adoption or other means and the money is funneled back through to the ships and trafficking schemes. The Obama Administration was able to bypass finance paper trails by dumping lots of cash before leaving office. A few other ports of call include New York and Los Angeles Ports, Rotterdam, Antwerp, Port of London, Red Castle or Gibraltar, Las Palmas Canary Islands, Kenya Mombasa, Brest Port, Sine Port, Saigon, Jeddah and Port Harcourt in Nigeria which hosts the F39 Shell Oil pipeline that pumps Adrenochrome from shore to ship, there are even more ports and exchanges worldwide.

Q2658/Q4556/Q3486/Q1559/Q10 How about a nice game of chess? & Infiltration & Termination

Some F Assets are kept as controlled pawns and used for key positions for the Cabal. The inner circle. Some are sent to the CIA Farm at Langley Virginia to become intel agents. Agents are placed in positions of need like the mainstream media, congress, political leaders, Hollywood celebrities as well as other various vocations. These assets are told what to do and say to support the narrative of the Cabal>Deep State.

In 1996 the Telecommunications Act led the FCC to reduce regulations on cross ownership. Since then, 5 Corporations own 90% of the media, including films, newspapers, magazines and books. AT&T, Xfinity, Disney, News Corp and National Amusements. All of these except for National Amusements is owned by BlackRock and Vanguard by majority shares. Vanguard shareholders include elite like the Orsini's, the Bush's, the DuPont's, the Morgan's, the Vanderbilt's, the Rockefeller's, the Rothschild's, the Wallenberg's and the British Royal Family. And Vanguard is the largest shareholder of BlackRock.

Control of the media means control of the population. Using propaganda to create and shape the narratives they want you to see which at the moment is far left. This bias weakens the conservative base with constant attacks and lies from this left-wing media.

SecureDrop, hosted by Apache, was an open-source whistleblower program that allows the media to install and accept testimony from anonymous sources. The CIA was actually in charge of the program so this helped them to weed out and eliminate whistleblowers like John Perry Barlow, an internet free speech pioneer.

State Secrets Privilege, States v. Reynolds decision in the Supreme Court, is how the Deep State hides from other branches of the government, including Presidents.

The Southern and Northern District of New York SDNY/NDSY are a strategic position for the Deep State. Holding all of the AG's and Judges in that area helps them control the Judicial system. It also happened to be the jurisdiction for all the important evidence like the Weiner laptop, Clinton Foundation case, Epstein evidence collection and Ukraine. These were all buried or made to disappear, any attempt to remove Judges or AG's results in the use of the ship missile system. Any Northern or Southern District of New York AG's or Judges not serving the Deep State will be kept in line with the ship missile system. The same applied for Ukraine, any politician's or leaders will comply due to the ship missile system.

The Obama administration withheld loan money from Ukraine until they fired it's prosecutor general Viktor Shokin who was investigating Hunter Biden's illegal dealings with Burisma Holdings. Strong arm tactics and use of the ship missiles to

obtain compliance through SDNY. Joe Biden was directly involved with helping to get rid of Shokin and even bragged about the Quid Pro Quo to the Council of Foreign Relations. President Trump was later impeached in January 2020 for a projection of what the Democrats actually did, a similar but false Quid Pro Quo scenario about a phone call to the Ukraine asking to investigate the Biden's shady dealings or \$250M in military aid would be withheld. The phone transcripts proved that never occurred. Adam Schiff lied about the Ukraine phone call, the President read the transcript out loud for all to hear and Schiff still lied about it reading his own "parody" of a transcript which the public believed to be real.

EXCERPT: How Soros's Secret Network Used Ukraine to Cover for Hillary, Hunter, and Target Donald Trump.

This exclusive except from Matt Palumbo's forthcoming book shines more light on the backdrop of the attempts to use Ukraine to oust President Trump.

The Soros Circle: AntAC

In 2014, Soros's International Renaissance Foundation (IRF) and its grantees were active supporters in the creation of the Anti-Corruption Action Centre (AntAC) of Ukraine, a powerful NGO. Through the end of 2018, 17 percent of AntAC's funding was coming from Soros's group.

AntAC is run by Daria Kaleniuk, an American-educated lawyer. White House logs show Kaleniuk visited on December 9, 2015, reportedly meeting with Eric Ciaramella, the CIA employee many suspect is the anonymous whistleblower that sparked Trump's first impeachment, the source of which was a faultless phone call with Ukraine's president.

AntAC was responsible for creating the National Anti-Corruption Bureau of Ukraine (NABU), a law enforcement group separate from the prosecutor general's office that was tasked with handling the biggest corruption cases. It has investigatory powers but cannot indict suspects. Only when it passes its findings to prosecutors does a subject of its inquiry become part of a criminal case. The agency was established in 2014 at the behest of the International Monetary Fund (IMF) after its predecessor, the National Anti-Corruption Committee, was deemed a failure. Western governments funded NABU, which also enjoyed the backing of the FBI. Like all the Orwellian names of groups Soros had a part in, NABU acts independently in name only.

With the Obama DOJ's launch of the Kleptocracy Asset Recovery Initiative, aimed at battling large-scale public corruption in foreign states, the State Department, DOJ, and

FBI began outsourcing some of their own work to AntAC.

In February 2015, Viktor Shokin was appointed prosecutor general of Ukraine, and was soon scrutinized for helping the owner of the energy company Burisma. Shokin had helped owner Mykola Zlochevsky regain control of \$23 million that was frozen by British authorities. Burisma was made famous by Hunter Biden's involvement in the company, and Zlochevsky was the one who struck the deal to appoint Hunter to the company's board of directors in 2014 at a reported salary of \$83,333 per month.

AntAC's stance on Shokin was made clear; it tweeted on December 2015 that "One of the major goals of #AntAC for 2016 is to force #Shokin to resign."

Shokin attempted to begin a probe into Burisma that "included interrogations and other crime-investigation procedures into all members of the executive board, including Hunter Biden."

This never materialized because Joe Biden (then Vice President) threatened to withhold a \$1 billion loan to Ukraine unless Shokin was removed as prosecutor general. Biden even bragged about it on video to the Council on Foreign Relations in 2018, stating that when he attended a meeting with Ukraine's president and prime minister, he said, "I'm leaving in six hours. If the prosecutor is not fired, you're not getting the money.' Well, son of a bitch. He got fired."

Biden insisted the U.S. wanted Shokin removed over corruption concerns shared by the European Union. But in tapes released by Ukrainian lawmaker Andrii Derkach, Biden and Poroshenko reveal that the Ukrainian president admitted to doing Biden's bidding. The quid pro quo is proven. National Pulse Excerpt

Since 2015, Adam Schiff has served as the Chair the House Intel Committee and oversees his assets/foot soldiers to keep people in line. The ship missiles can be activated by phone or orders in video game chat logs. Representative Schiff is a confirmed CIA/Mossad foot soldier appointed by the Queen of England. How about a nice game of chess?

Q3063 - REMEMBER THIS IMPORTANT FACT. ADAM SCHIFF IS PART OF THE 'GANG OF EIGHT' (INTEL). IT WILL BECOME CRITICAL ONCE 'GANG OF EIGHT' MATERIAL IS DECLASSIFIED. LOGICAL Q: IF ADAM SCHIFF 'KNEW' EVERYTHING HE'S INVESTIGATING AND STATING PUBLICLY TO BE KNOWINGLY 'FALSE' [DISINFORMATION] WHY THEN WOULD HE TAKE THE COURSE OF ACTION(S) (ONGOING)? DID ADAM SCHIFF PURPOSELY DECEIVE THE AMERICAN PUBLIC

'THINKING' THE 'GANG OF EIGHT' MATERIAL + OTHER CLASSIFIED DOCUMENTATION WOULD NEVER REACH THE PUBLIC DOMAIN? (The Queen & Schiff conspired to deceive the public to hide their knowledge of their human trafficking scheme from the public.) WHAT 'INSURANCE' DID THEY HANG OVER POTUS' HEAD IN ORDER TO PREVENT ACTION? (A missile threat to his family was their insurance for President Trump's compliance) A FATHER'S LOVE FOR HIS CHILDREN KNOWS NO BOUNDS. Q

The CIA/MOSSAD use “Madams” like Alex Adam, Heidi Fleiss, Allison Mack and Rachel “Ray” Chandler to gather assets and groom victims for sexual blackmail. For example, Ray Chandler was used at locations like the Standard Hotel and Epstein's Island. She is connected to the Rothschilds through her Hollywood friends like Nicky Hilton. She has many connections to Hollywood, Royals and Government leaders as well as Satanic connections like “spirit cooker” Marina Abramovic who was outlined in the Podesta emails. Madams like her use blackmail to secure power around the world for CIA/MOSSAD with evidence, filmed or otherwise of powerful individuals doing unconscionable things. Already shown by Allison Mack's involvement with NXIVM, she was the Madam for that cult and groomed victims in much the same way as sex slaves and Ray Chandler = Allison MACK x 100. Mack was also connected to the Rothschilds through the Bronfman family. Britney Spears may have been a victim of their grooming and her recent Instagram posts imply she may tell their secrets. They openly flaunt they satanic symbolism in art, hand signals, jewelry and many other ways thinking no one will ever figure out their secrets but this symbolism will be their downfall.

Q9 - ...D's (Deep State) can't lose control over the black population.(satanic Hollywood/music industry) At some point the great awakening will occur whereby these false local / national black leaders are corrupt and paid off to help keep the black pop(satanic Hollywood/music industry) poor and in need. D's (Democrats) formed the confederate states against freeing slaves. D's (Democrats) formed the KKK. HRC's mentor is who? (Senator Robert Byrd) What happens if the truth about Haiti is released? (They lose control. The world wakes up to their trafficking scheme) Do D's(Democrats) lose majority of the vote? Through the looking glass. They rely on the MSM to keep the narrative going but tech is entrenching on their controls. They

missed this in 2016 and desperately attempting to censor now due to CIA cash infusions. This will fail.

Q19 - ...What happens if D's (Deep State) lose the slave grip on the black pop (satanic Hollywood/music industry)? Why do D's, through the funding of the CIA, prop up and install Hollywood/media assets? (control) Does this fall within Operation Mockingbird? (yes, asset placement) What were the historical advantages D's (Deep State) gained by having MSM and famous people peddling narrative? (control human population) Who exposed the pedo network within H wood? You can't answer the above but will laugh once disclose details. The network which controls this false narrative which in turns keeps the black pop (satanic Hollywood/music industry) under control is being dismantled...

This lines up with the CIA/MOSSAD honey pots like Rep Adam Schiff's Standard Hotel, where he and his friend's rape and murder children. Others are Epstein's Pedo Island with help from Ghislaine Maxwell, the 3 Adrenochrome HUMA Ghosts Ships of child sacrifice & Hugh Hefner's playboy scheme, all to control Hollywood, Politicians and World Leaders to stay in power. This is one reason our government is the way it is now, corrupt and blackmailed beyond repair.

As of December 29, 2021; Maxwell has been found guilty on 5 out of 6 counts of sex trafficking underage children.

Q160 - You guys are missing the importance of Hugh Hefner! Think of it this way.
>Hugh invites over celeb/politician >Hugh offers them "something younger" >Hugh offers them a "safe space" to do it in >Hugh tapes encounter >Sends tape to CIA >CIA has person by the balls for LIFE. This is MAJORLY IMPORTANT to what has been keeping people in control for so long!

CIA/MOSSAD agents Jeffrey Epstein and Ghislaine Maxwell committed many of these crimes on Little St James Island. The DOJ has evidence of it and it may even be part of Declass, many exhibits detail what FBI/DOJ/SDNY knew about the duo. Maxwell is also going through court proceedings to allow her evidence to become public as well. Once released this would allow for another Executive Order, 13818 Blocking the Property of Persons Involved in Serious Human Rights Abuse or Corruption, to apply. Any Government official or person acting for or on behalf of such official, found to be responsible for or complicit in or to have directly engaged in, serious human rights

abuse, their funds will basically be blocked. Epsteins Black Book of names:

Uranium One:

2018- President Trump removed Jacob Wallenberg's control in North Korea NK, no more nuclear capabilities or trafficking enrichment via President Obama, Clinton Foundation and Russian Intelligence/Military Industrial Complex 2010 Uranium One deal. Iran, Russia and North Korea get 20% of US Uranium in connection with Gultainer, Crescent Petroleum and Rosetec/Rosoboronexport, which they also used to produce Club K missile systems. Also connected through Project Pelican and Gultainer's Port Canaveral completed in 2018 which allows them a 35-year cargo container terminal lease. This allowed them to have their armada of ships with shipping container missiles systems based in the US as their "military" presence.

Q29 NK is not being run by Kim, he's an actor in the play. Q41 What a coincidence the mountain that housed NK's nuclear weapons and testing collapsed. Unbelievable timing. I wonder if critically important materials as well as scientists aka the bomb makers were inside when it happened. Shocking no global news agency suspects we had nothing to do with it. Q1609 POTUS save the world from NK.

Red Cross, Foreign Aid and funding through the Paris Accords supported their human/weapons/drug trafficking schemes. According to foreignassistance.gov; Bill and Melinda Gates Care and supported Save The Children have funds coming from the U.S. Department of State; Bureau of Population, Refugees, and Migration. Jeff Bezos Amazon, Red Cross and China's World Health Organization have funds coming from the U.S. Agency for International Development; Bureau for Democracy, Conflict, and Humanitarian Assistance. These are just a few of the organizations that US Taxpayers fund through Foreign Aid programs. It also goes to unknown or unverified vendors to Pakistan, Afghanistan, Africa, Haiti, Israel, North Korea, Kazakhstan, Kyrgyzstan, Tajikistan, Vietnam, India and China, the bulk of which comes through the U.S. Agency for International Development; Bureau for Democracy, Conflict, and Humanitarian Assistance. The Paris Accords is just one more way to get taxpayer money through their GCF fund, which funnels money to places like North Korea, even they claim US humanitarian aid is sinister scheme. The Red Cross's Gail McGovern's has a history of corruption with Hillary Clinton , The Red Cross also has

a history of connections to the Rothschilds and Wallenbergs. These slush funds help to pay for their Deep State Shadow Government.

Q489 - US taxpayers are paying for it all.

Paris accord = scam (trillions)

Red Cross = scam (billions)

Foreign Aid = scam (trillions)

WAR = scam (trillions)

.....on...and....on.....

Who audits where the money actually goes?

Who actually receives the money?

The US taxpayer is funding the very people we are engaged in taking down.

SLUSH funds everywhere.

Think GS (Soros) pays for Antifa out of his own pocket?

The hole is deep.

Feel sick yet?

Crossfire Hurricane:

November 03, 2021: Special Counsel John Durham indicted Igor Danchenko on 5 charges for making false statements to the FBI in 2017. Originally from Russia and known to be a Hillary Clinton supporter, he worked for the Washington Think Tank: the Brookings Institution BI where Bill Clinton was college friends with the former president Strobe Talbot. Fiona Hill introduced Danchenko to Christopher Steele, Hill

and Danchenko were co-workers at BI, she was a key witness in Ukraine Impeachment of President Trump. She is also implicated in the Dossier operation.

Danchenko was the main source for the now discredited Dossier for Christopher Steele in 2016 that was used to create the FISA applications. Joe Biden's current National Security Advisor Jake Sullivan was the Hillary Clinton Campaign senior foreign policy adviser and the likely operative that set the entire Dossier scam in motion. Sullivan was possibly the lead in the confidential project that came up with the so called Trump/Russia intel that was given to Danchenko who gave the fake information to Steele who subsequently gave it to Fusion GPS who then pushed it out to the CIA/Mossad mainstream media.

The indictment indicates that Danchenko and a Democrat PR Executive, which is Charles Dolan Jr. confirmed by his attorney, collaborated on Trump research intelligence in the Dossier in October of 2016. Dolan later admitted to the FBI that the information he gave Danchenko was false. Danchenko lied to the FBI again stating in July of 2016 he received a phone call from a Russian Reporter named Sergei Millan who gave him the information on the Trump/Russian collusion story, which Millan says the call never happened. Danchenko lies 3 more times stating Dolan did not give him the information, and that he stayed in a Moscow Hotel in June of 2016 when he actually stayed there in October of 2016, and he also lied about Dolan being his source. According to Space.com sun has released several Solar Coronal Mass Ejections CME's the first week of November 2021 and around the time of the indictment; creating auroras, geomagnetic storms, possible power grid and satellite fluctuations.

The FBI and DOJ knew they had false intel and lied on the FISA applications. Germany helped build the Steele Dossier. The Dossier was paid for by former Secretary of State Hillary Clinton, who held container ships armed with depleted nuclear missiles against people to get it done. It was another set up to take down President Trump. They could not lose control or allow their treason or satanic pedophile acts come out. They wanted to rig the election. Senator John McCain and Senator Lindsey Graham helped to push it because they are part of the Deep State and every media outlet who reported the false information was sharing a hoax. Buzzfeed News, along with the Soros funded International Consortium of Investigative Journalists (ICIJ) and mainstream media heads conspired with Democrats to help push the fake Russia narrative.

Fusion GPS had Perkins Coie Michael Sussman, paid by Hillary Clinton, and a secret DNC committee with Chair Debbie Wasserman Schultz, CEO Amy Dacey and Mr.

Brown push the Russian narrative that President Trump was communicating with a Russian Alfa Bank server in March of 2016. Mr. Sussman's Sept 16, 2021 indictment reveals in section 7. "The FBI's investigation of these allegations nevertheless concluded that there was insufficient evidence to support the allegations of a secret communications channel with Russian Bank-1. In particular, and among other things, the FBI's investigation revealed that the email server at issue was not owned or operated by the Trump Organization but, rather, had been administered by a mass marketing email company that sent advertisements for Trump hotels and hundreds of other clients." They knew the information was false before they pushed it out to the media yet did it anyway.

In 2016, Barrack Obama and FBI Director James Comey told Deputy Director Andrew McCabe and Deputy Attorney General Rod Rosenstein to approve the fraudulent FISA applications for Trump's aid Carter Page, this allowed Obama to spy on Trump. Obama then pushed the Steele Dossier, supported by the FBI and Director of Counterintelligence Bill Preistap, and that Hillary Clinton paid for claiming Russian Election interference. Director of National Intelligence James Clapper tried to get the Supreme Court to invalidate Trump's presidency while Fusion GPS agent Natalia Veselnitskaya set up Trump's Campaign Manager Paul Manafort for the Trump Tower events regarding Donald Trump Jr and Jared Kushner and then FBI Deputy Asst. Manafort was a deep state plant, he was deeply in debt to Russian oligarch Oleg Deripaska, so they gave him a way out by setting up President Trump.

Former FBI Special Agent Peter Strzok & Deputy/Acting Attorney General Sally Yates went after Trump's National Security Advisor General Flynn. Obama used UK MI5/6/SIS, Five Eyes, Israeli NSO Pegasus Surveillance and FISC to obtain permission. Also assisting were German PM Angela Merkel, UK PM May and CIA Director Gina Haspel, who was the prior CIA UK Station Chief. Obama also used Senators Warner, Cardin and Corker as well as the State Department.

Under FISA UK assist, the surveillance allowed for a '2 hop' rule. Since Carter Page was the target in the original application for Russian spying, the FBI was then able to spy on anyone Page was in contact with and anyone the next person was in contact with. This included President Trump, NSA Director General Flynn, Trump's campaign manager Paul Manafort, Trump's campaign advisor George Papadopoulos, and Senator Ted Cruz. The original application was dated April 1, 2016, 11 days before Carter Page joined the Trump campaign on March 21, 2016, and 10 days after the Buryakov press release identified Page as the Russian agent on March 11, 2016. The

FBI used this same application plus 3 renewal applications as their basis for the Dossier and then ultimately the Special Counsel Robert Mueller investigation. This throws off the timeline and shows that Obama's intel team was spying on President Trump and Senator Cruz long before Carter Page was involved and likely earlier during the presidential campaign.

Q1150 - Think timing. LL (Loretta Lynch) remains AG (Attorney General for) HRC (Hillary Clinton). HRC appoints new AS (Justice Anthony Scalia) replacement (Justice Sonia Sotomayor). RBG (Justice Ginsberg) steps down. LL (Loretta Lynch) steps up. New AG (Attorney General) 'The Plan'. Q

Q2088 - ...They always thought if charges were brought [v. them] they would ultimately be safe [SC control] (Supreme Court). [AS] (Justice Anthony Scalia) out [HRC] (Hillary Clinton) appointment(s) >> End of all ends. Final. Did Anthony Kennedy have a choice? Was this the original plan according to HRC election win? What evidence was he shown? RBG replacement [lifetime appointment - age]?...

CIA Director John Brennan and Peter Strzok used an Intelligence Community Assessment ICA with the Dossier added to it while Strzok's wife Melissa Hodgman was hiding Hillary's email evidence. Hiding Hillary's evidence was also the reason of former President Bill Clinton and Attorney General Loretta Lynch's Tarmac meeting in June of 2016. As an exchange, Lynch was promised a Supreme Court appointment once Justice Ginsberg stepped down. They always thought they would be safe having their nuclear missile ship armada to protect them, they murdered Anthony Scalia in Feb 2016 to maintain control of the Supreme Court and Bill Clinton promised AG Loretta Lynch on the Tarmac in June of 2016 a position on the Supreme Court. In return Lynch was supposed to look the other way at any of Hillary's email/server evidence which she did. Hillary then appoints Justice Sonia Sotomayor to replace Scalia and advises Lynch the plan is for her to replace Justice Ruth Bader Ginsberg. Justice Anthony Kennedy was shown evidence of this and was forced to step down under threat of missiles/death.) RBG is also a multiple meaning of the Royal Family/The Queen, so she oversaw 'The Plan'.

Adam Schiff was caught leaking classified information in order to damage President Trump regarding Russia collusion. While trying to dig up info on the President and General Flynn he released classified information about wire transfers in pursuit of Clinton emails by Paul Manafort who we now know was a Deep State plant, to Buzzfeed. Special Counsel Mueller never found any evidence of any Russian collusion. Schiff repeated claimed he had evidence of Trump/Russia collusion but was

never able to provide any proof. He also lied about the basis of FISA warrants when he had access to documents proving the Steele Dossier was bogus. While trying to pursue alleged naked photos of President Trump he got punked by Russian comedians who recorded Schiff asking for photos and recordings.

According to Wikileaks, leaked intel was received by China via Hillary Clinton's private bathroom server. Clinton used a personal email and computer to conduct official government business which goes against government policy. It was set up with limited security hardening which made it vulnerable to intrusion and theft as early as March 2013. She used non-government IT staff to maintain it as well which also goes against government policy. Germany and South Korea also had access to the server.

Pakistani nationals, the Awan's also had access to the DNC servers since 2004 through 2016. The servers collected congressional information and stored on servers in Pakistan.

Hillary Clinton purposely used outside servers and a Shadow IT Bryan Pagliano and possibly others who did not have clearances to leak Special Access Programs SAPs information out. Using her personal email also allowed her to avoid and FOIA requests since she wasn't using an official government email. Obama knew about the servers and condoned it. SAPs are the most clandestine activities and are designated above Top Secret and many emails had "born classified" information on them, meaning classified from the start. IG reports showed some emails on the servers were there as early as 2009. The IG report was also modified and redacted by Rod Rosenstein which left out additional classified information. President Trump's attempt to declassify original unredacted report were met with the Cabal > Deep State threat of missiles from their armada of ships and could not be released.

When asked to produce the email evidence, Hillary Clinton deleted approximately 30,000 of the 60,000 emails and her servers were wiped clean, showing intent to deceive.

The classified information leaked did irreparable damage to national security since some contained information on the Drone program and also had names of CIA, NSA and other intelligence officers in them. The Comey FBI report, altered by Peter Stzrok, on the matter downplayed the incident from "gross negligence" to "extremely careless", helping to cover up her crimes.

Clinton was also allowing political access for donations to her Clinton Foundation CF, known as "pay for play". CF has also been accused of money laundering in the past.

Also, Romanian Marcel-Lehel Lazar aka Guccifer was able to hack into Sidney Blumenthal's AOL account that showed correspondence to Hillary Clinton as early as March 2013. There appears to be a history of allowing access to information.

The State Department was also used for spying for Clinton. According to Wikileaks, diplomatic cables were released in 2010 outlining the spying on foreign diplomats including the UN. This information was also stored on her bathroom server.

National Security Advisor Susan Rice unmasked Flynn's meeting with Russian Ambassador Sergei Kislyak, with help from the Washington Post reporter Adam Entous, who leaked it from a source that saw it in a Palpatine's Revenge game chat log discussion. As early as November 2016, unmasking requests to the NSA were made by 16 people including US Ambassador to the UN Samantha Power, DNI James Clapper and then Vice President Joe Biden made a few of the requests. This was before the actual Flynn/Kislyak phone call on Dec 29, 2017, proving a set up occurred beforehand. Approved by Rice in 2017 under Obama's guidance and Russian interference Executive Order, in a purely political move.

During this timeframe, Strzok's FBI interview with Flynn on January 24, 2017, forcing Flynn to later plead guilty and be fired about lying to Vice President Pence. Strzok also withheld exculpatory evidence of handwritten notes taken by him, DOJ official Tashina Gauhar and FBI Lawyer Dana Boente, during and after the meeting with Flynn that found that he had not engaged in any wrongdoing. The FBI kept the case open regardless to pursue Joe Biden's suggested idea to prosecute him under the Logan Act which didn't apply either.

Trump's campaign advisor George Papadopoulos and Australian Ambassador Downer were spied on by Strzok in London and this was used to set up the Robert Mueller investigation and the 2019 impeachment of Trump.

Strzok and FBI General Counsel Lisa Page's texts revealed Obama's involvement and plan to take down Trump and hide Hillary's crimes, including crimes against children. Brennan's CIA spied on FISA court head Chief Justice Roberts who was likely blackmailed into all FISA investigations including Flynn's, who was ultimately pardoned by the President. The Illuminati Cabal and Hillary held CIA spying info and missiles from her armada of ships, against people get it done.

On November 22, 2017, Attorney General Jeff Sessions appointed US Attorney for Utah John Huber directing him to investigate Hillary Clinton and claims of FBI and DOJ misconduct, which didn't amount to much so in May 2019 Attorney General Barr

assigned a special counsel to John Durham who is known for successfully prosecuting mobsters like the Gambino, Genovese and Patriarca. He also was tasked to go after Boston corruption and in 2005 he investigated the CIA for destruction of videotapes regarding 9/11 interrogation something that former CIA Director Gina Haspel also did at the CIA black site in Thailand. He is in charge of investigating the Deep State corruption that occurred during FISA as well as other crimes. But it's been delayed because of the container ship missiles threat to the world.

Most of the information discovered here was received from the Inspector General Michael Horowitz report on FISA released on December 9, 2019, but the IG concluded that the DOJ and FBI largely complied with policies. Both Barr and Durham publicly commented that they disagree with the conclusion of the report. A likely conclusion if the threat of container ship missiles were known.
